Schedule for Next Week

As our numbers have remained low for students in attendance, we will revert back to our normal start and end times for students - 8:30-2:30. ESW will remain 8:00-3:00.

Supply pick up

If you have not been to pick up the supplies, please make arrangements with your classroom teacher.

We have loads of student material still here awaiting retrieval!

Outstanding Items

We have over **1400** library books on loan.

PLEASE bring them back.

There is a box outside the front school doors that they can be deposited into.

Thank you.

Textbooks, jerseys and library books all back in please.
