Beach Spirit Day

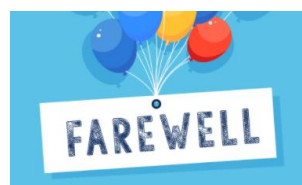

Thu, Jun 24th

Last day before Summer
Early Dismissal @ 1:30pm

Sports Day – COVID Style

We are having classes take place in sports day activities but in a modified way that follows Covid protocols. They will be participating as individual classes and all equipment used will be sanitized after each class.

Parents are unfortunately, not able to attend. We know the children will be excited to participate.

Grade 7 Leaving Ceremony

Our Grade 7's will be participating in a farewell ceremony that will be recorded and sent out to families. No parents are able to attend nor be on site unfortunately.

A notice went home to all grade 7 parents outlining the activity.

Library Books and Resources

Ms. Roth and Ms. Collasacco are looking for all library books to be returned ASAP. They need to take inventory and are still missing quite a number of resources. Please search under you beds and in closets and get those books back in. They can be returned at anytime but during your library time is ideal.

Any text books or school items should also be handed in ASAP!!

Lost and Found

Please also have your child check the lost and found. Left over items are packed up and sent to Goodwill.

Sullivan Heights Secondary – Relay for Life

This year Sullivan Heights is hosting their first ever virtual Relay for Life event. The event is solely virtual, but the video links to the ceremonies will be forwarded. Relay for Life provides a support system for those battling with cancer. Relay for Life is a program that helps to raise awareness and funds for cancer research. As they fundraise more money, teachers at Sullivan Heights will take part in fun challenges.

To view these challenges please visit our Instagram @relay.sullivanheights. There will be prizes for the top Goldstone Park participants that raise the most money by the end of the week. To learn how to donate please watch the video attached to the email and donate to the "Goldstone Park Elementary" team. Make sure to inform friends and family, as a little goes a long way. Thank you for your support!

Goldstone Park Summer Lending 2021

June 10, 2021

Dear Parents/Guardians,

School will be out for summer soon and we think our books should be too!

Students need to keep reading over the summer to maintain their reading skills. We are running a summer lending program for the third year to help with this.

To qualify, your child must:

- be in Kindergarten to Grade 6 and be returning in the Fall of 2021
- not have any overdue books
- promise to take good care of all the books and to return them in September
- bring in this completed permission form by June 16th

The first 100 students to meet these criteria will be able to choose up to ten books for summer reading during the last week of school.

Please contact us at the school if you have any questions about this program.

Happy Reading!

Mrs. Colasacco and Ms. Roth

Teacher-Librarians

My child _____ in Div. _____ is returning to Goldstone Park Elementary in September and has permission to borrow up to 10 books from the library over the summer. These books will be well cared for and returned during the first week back to school in September.
