Principal's Message

I would like to take this opportunity to wish everyone a restful and healthy summer. It has been a very unusual year to say the least. We want to thank everyone for being so resilient as we navigated this pandemic together! Your patience and support during our transition to on-line learning was appreciated. It is certainly a year that won't be forgotten and reminds us of the importance of family, community and working to stay healthy.

We hope to return to a sense of normalcy in the fall. Please stay tuned to our website and district pages for updates and information regarding what the fall session will look like. Information is updated regularly.

We hope to welcome everyone back into the school as it is an amazing place to learn and grow together.

We have truly missed seeing everyone and can't wait to have you all back.

The staff appreciates the great partnership between home and school and we look forward to working with you all again in the fall.

Mrs. Grillys

School Supplies Reminder

Grade 1-7

We encourage all students to look at the school supply lists on our website (Parents Tab > School Supply Lists) in order to know what to purchase for supplies for September. This ensures that all of the students are using the same materials. Please remember if you are ordering from School Start to have your materials sent to your home and NOT to the school. Planners will also be available for \$6.00 for all Gr 1-7 students in September.

Summer Lending

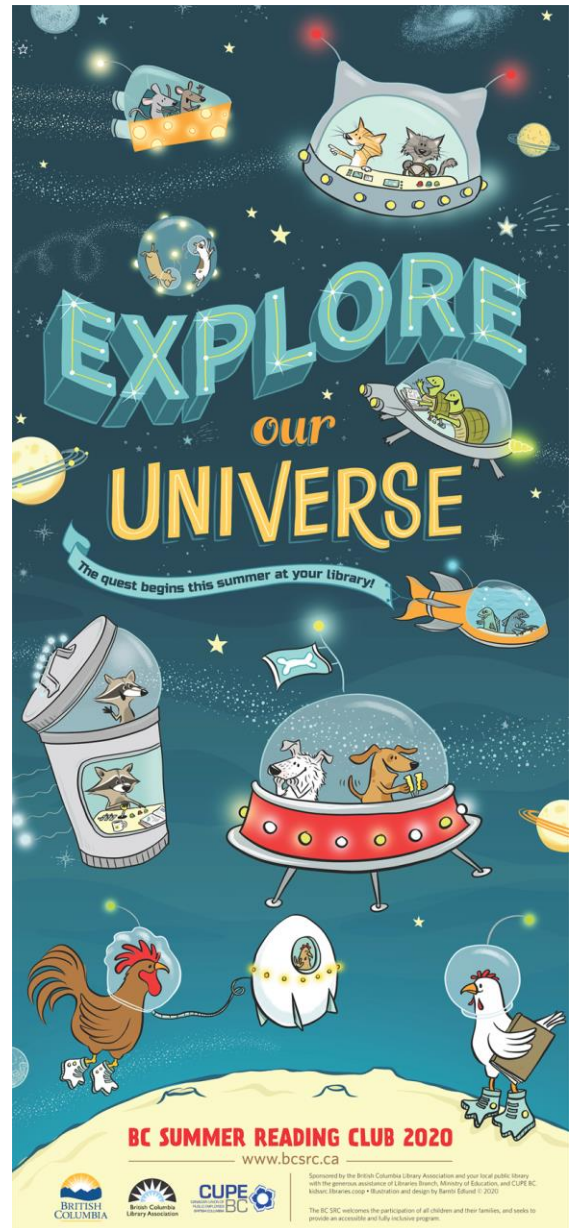

We are excited to offer students the chance to borrow books from our Goldstone Park library for the summer! Please see the newsletter from Tuesday for all the details. All forms are due in by Sunday night and pick up will be on Monday and Tuesday.

Summer Reading Club

Surrey Libraries will be hosting the Summer Reading Club again this year. It is a bit different for 2020 due to our current circumstances. There is the option to participate completely online with badges and weekly activities. You may also head to a branch to pick up a reading log and other materials. The libraries are opening with a take-out service soon. Please visit the website for all of the details about this great program.
