PAC Apple Fundraiser

Hello Goldstone Park Elementary parents and guardians!

It's that time of year, once again. Our kids are back in school and autumn is right around the corner. We want to make sure this school year is more fruitful than ever, so we are very pleased to announce that this year we will be running an exciting new fall fundraiser.

We have partnered up with a distinguished Okanagan orchard to sell their delicious farm-fresh apples. This century-old farm has won all kinds of major awards for their fruit — these are the highest quality apples available anywhere. And because we're sourcing them directly from the grower, we can sell them at well below grocery store prices and still get to keep a substantial amount of profit from each sale. This is a great opportunity to earn some significant, and important, funds for our school. Each box sold will contribute either \$8 or \$10 to our treasury. That adds up quickly. If you don't want any of these wonderful apples for yourself, that's no problem. You can still help us raise important funds by simply sending a link to your friends and family.

Apples are far-and-away the most popular fruit in Canada, so it's highly likely that you have many apple lovers in your life. With such a high return per unit sold, you could help us raise up to \$100 by selling just 10 boxes. (Or sell even more, we won't stop you!) The best part is that it's all done online, so you won't have to deal with the hassles of collecting money and tracking orders.

Just complete a quick and easy registration process and then share your link with your contacts. Sweet and simple! It will only take you a couple of minutes, but our kids will benefit for years.
