SNOW/WEATHER UPDATES

Weather conditions over the next week appear to be cold, wet and snowy. Make sure that you are prioritizing your safety if you are out and about and/or driving in icy conditions. Check Supt. Jordan Tinney's Twitter, TV news and CKNW980 if the weather is severe and Mother Nature decides it is time to snow heavily for updates on school closures. Fingers crossed for no more snow!

Reminders to students also that snowballs are a total no-go! This also goes for before and after school on school grounds. This would also be a good time to remind students of coming to school dressed for the snow. Toques, boots, gloves and a warm jacket are a must! Student's need fresh air and will be outside in all different types of weather. Please make sure they can play in comfort by providing the proper clothing.

NHL's Most Valuable Teacher

Ms. Maikawa needs your votes! Thank you so much to those who have already voted. Just a reminder that you can vote once a day until January 31! Here is the link: <http://nhl.com/mvt>
