Halloween

Students are invited to wear their costumes to school (all ages) on Friday October 29. Please remember no weapons real or fake are permitted, and the costume must be easily taken off by the child after recess. A change of clothes will need to be sent as the students will be participating in a Pumpkin Run (weather permitting) outside in the afternoon. Students will still be required to wear their Covid masks so please no other masks are permitted.

As per the provincial health mandate, food is not allowed to be shared at this time. Please do not send anything to school.

There will not be a Halloween parade as classes are doing a variety of different activities.

To Some It's Known as Halloween

To some it's known as "Halloween," or else "All Hallows Eve."

To some it's simply "Dress Up Day," a time for make believe.

And some folks call it "Trick or Treat," When ghosts and witches play.

To others it's the night before the day called "All Saints Day."

It's got so many different names,
But this is what I say:
To me October thirty-first
is called "Free Candy Day."

By: Kenn Nesbitt, poet laureate

Monday Now 1 is **DROP EVERYTHING AND READ**. Students are invited to wear their pj's and bring their favorite book to read.

Travel Plans

As the world begins to open up allowing more nonessential travel, there are a few things to consider when booking your trips out of country.

As per District policy, if you are absent from school for 25 consecutive days, you may lose your spot in the school. We are a closed catchment school with people moving into the neighbourhood throughout the year.

Please consider your trips during the scheduled time off.
Teachers will NOT provide work for vacations.

If you do decide to have an extended trip, you will need to fill out an Extended Vacation Form when planning a trip. Please phone the office and we will send you one.

As per Covid protocols another thing to consider is when you arrive back to Canada.

" Students, staff and other adults who are not fully vaccinated and have travelled outside of Canada CANNOT attend school for 14 days after arrival, as part of federal requirements. "

Although this is not counted in the 25 days, it would be a significant amount of time lost in your child's education if you have had a lengthy trip as well.
