Dress for the weather

As the weather continues to be cold and wet, it is important for students to have the proper clothing to be able to play outside comfortably. A raincoat, and boots are necessary for our primary grades. Please be sure to send the right clothing daily as we go outside to play 95% of the time.

We live in a temperate rainforest, so rain is expected especially in the fall months. As we switch over to the possibility of snow, adjust the clothing to warm jackets, hats and mittens and remember that the paths and asphalt get slippery especially if there is a frost.

Donations

Global Outreach Team will be collecting Family Hamper donations and food bank donations from Dec 6th -15th.

Non perishable food items only please.

Our Global Outreach Leadership students are also collecting food from Dec 6th to 15th in our "Winter Wonderland Food Bank Drive". Please consider sending "warm" food items to this food bank donation.
