Mon, Jan 3<sup>rd</sup> School Re-Opens - Class in Session Mon, Jan 10<sup>th</sup> Kindergarten Registration Begins

## Principal's Message:

It's hard to believe that another year has come and gone. We have had a very busy and productive 2021. I'm sure 2022 will be equally as exciting.

Thank you for all the support you give so freely to the school and community at large. They say that "no-one ever becomes poor by giving". Thank you for supporting the food bank drive, the christmas hampers and all of the extra things you provide for the students here through supporting hot lunch. The list is endless. The gratitude immense.

You are an amazing community. Please make sure to take extra care this holiday to create special memories with loved ones. As we said to the students, create joy and live peace.

This 2022 enjoy the little things in life for one day you'll look back and realize they were the big things. Enjoy a much deserved restful break with family and friends.

On behalf of the entire staff, I wish everyone much happiness, peace and joy for the coming year.

## **SCHOOL DROP OFF AND PICK UP**

MANY DRIVERS continue to ignore and blatantly break the rules. We are trying to provide a safe environment for ALL our students. When you disregard the protocols in place you are putting CHILDREN AT RISK.

Please look at the front of the planner for a map of how to pick up and drop off.  
Our rules are simple:

1. if you are picking up and are here longer than 5 minutes, PARK your car in the lot and walk up
2. the driveway cannot be blocked
3. there are 2 lanes-one is for quick pick up/drop off/ the other is for driving through.

We know sometimes you need to drive your child. Please consider WALKING or having your children WALK in a group to school.

We do not want someone to get seriously injured or killed. BE RESPONSIBLE!!!!

## **SNOW in January--look to CKNW and the district for updates on school closures....**

In the event of snow in January, please remember to check the district website.

Schools will normally remain open unless there is damage or circumstances that make it unsafe to operate. Parents and staff have responsibility to make decisions regarding attendance at school due to challenging weather conditions, based on available travel routes and individual circumstances. Access to our school parking lot and drop off area may be limited due to snowfall. Please walk to school if possible, to lessen traffic congestion.

If the school is closed, it will be announced on the Surrey School District website [www.sd36.bc.ca](http://www.sd36.bc.ca) and on the following radio stations: CKNW (980 AM) CBC Radio (690 AM) News 1130 (1130 AM) Radio India (1600AM)

If it snows please do not call the school to see if it is open, check stations above. Call the office only if you are not going to be sending your child to school.

### **Dress for the Weather!**

Now that the fall weather is here and the rainy/snowy season has begun, please be sure to dress your child appropriately. Unless the weather is exceptionally stormy, the children **go outside** for fresh air and exercise at recess and lunch. If your child is too ill to go outside, they are too ill to be at school. Please send your child in a weather proof jacket (not just a hoodie), hat, gloves and boots so that they can play in comfort.

When there is snow/ice, the blacktop areas are extremely slippery. Please exercise caution and plan extra time to get to classes. We salt as much as possible but that does not eliminate the chances of slipping. Proper footwear and taking extra time move about will help to ensure everyone's safety.
