Traffic Issues & After School Pick-up

Reminder, after school traffic and parking in the front of the school is a re-occurring problem. Please DO NOT arrive early and park in front of the school. Please walk to school for drop off/pick up when possible or park in the lower lot and walk to a pre-arranged meeting place. Cars are not to be parked in the front of the school as school buses need to have easy access to pick up students. City Enforcers will continue to monitor parking on 146 St. and ticket if needed.

Illnesses

It is a requirement that your child be SYMPTOM FREE for 48 hours and if they had a fever be SYMPTOM FREE for 72 hours before returning to school. Students are coming back too soon after illnesses and we have been seeing an increased number of teacher absences due to illness. Please call the office if your child will be away.
