SCHOOL OPENING 2020-2021

Grade 9's – Thursday, September 10th, 11:30 am to 1 pm

Hello and welcome to Guildford Park,

We hope that you had some fun this summer and are now ready to join us here at Guildford Park Secondary. It has been too long since students have walked our halls! I know that you have many questions around safety, schedules and logistics. We hope to answer them all.

Today, we would like to provide information on your first days of school, Thursday, September the 10th. Grade 9's will arrive in the **southwest parking lot, corner of 146th street and 106th Ave at 11:30 am.** When you arrive, we ask that you go immediately to the table with your initial for your last name to receive your schedule. Grade 9's will be welcomed into their block A class at that time. If the weather does not permit, we will have alternate arrangements on meeting locations inside the building, and times will stay the same.

Please be mindful of:

- Social distancing – We know you are excited to see friends, please do so 2 meters apart!
- Masks – If you can please wear a mask.
- Follow signage – The school is marked with signs to assist in the safe movement of everyone through the building.
- Wash or sanitize hands often.
- Ask questions if you are not sure.

Students will spend some time in their block A (am class) class, followed by their block B (pm class). In class, you will have a chance to meet your teacher, classmates, and learn about class routines and safety within the class and school. When students are dismissed from class at 1 pm, they will exit the building through the closest exit door, not necessarily the front doors.

Much of our first day together is about familiarizing you with the building and safety routines. Just as important, the day is an opportunity to be reacquainted, and we are very much looking forward to that!
