Dear Grade 7s and Parents:

Re: Important Grade 7 Leaving Ceremony Information

The grade 7 teacher team, Ms. Epele and I are starting our planning for our Grade 7 Leaving Ceremony. Covid restrictions are not allowing guests or us to meet as one large group. Instead, we will be inviting each class at a time to receive their medals. The PAC are helping to make a backdrop for our student photos and they are also looking into a Grad gift.

Baby Photos Needed

We are making a slide show of baby pictures followed by Grade 7 student photos for our Grade 7 year end assembly. Please allow your child to bring a baby (age 3 or younger) photo to school this week so I can build it into the slide show. You can also email me the baby photo at redding_s@surreyschools.ca

We are also looking into ways that we can share the medal presentation photos, slideshows, and speeches with our families. There will be more info to come on this.

Sincerely,

Ms. Epele and Mr. Redding
