A vertical wooden sculpture is the central focus. It features a globe of the Earth painted on a curved wooden section, with blue oceans and white and green landmasses. Above the globe, a wooden canoe is depicted, and the entire piece is set against a dark background with some abstract shapes. The sculpture is positioned in front of a blurred indoor setting, possibly a school hallway or library.

Territory Acknowledgement

We take this opportunity to acknowledge the shared traditional and unceded territory of the Coast Salish people on which we are fortunate to work, learn, and play, and on which Fleetwood Park is located. We specifically acknowledge the Katzie, Semiahmoo, and Kwantlen First Nations. We would also like to recognize the diverse population of people who have come to the Surrey School District and contribute to its dynamic culture.
