

Grade 7

May 19, 2021

Dear Grade 7 parents,

We are looking forward to all our Grade 7 Year End coming up in the next month. To help with your planning, here are some details.

Memory Books –

In previous years, the PAC has taken photos and put together our Year Books. Due to COVID, we were unable to have this happen this year. Thankfully, our Grade 7 team has put together a Memory Book for our Grade 7 students (they will not be distributed to the school population). These books are available for \$10.00 each and will be distributed during the last week of classes in June. Purchases can be made through [School Cash OnLine](#) starting on May 20th. Deadline for purchasing is June 14, 2021.

Spirit Days

To help with our excitement, we will be celebrating the last few weeks of school with some Spirit Days. Students are highly encouraged to show their spirit and leadership by participating in these fun and simple theme days.

May 27 – Twin Day

June 10 – Jersey or Team Day

June 21 – Dress Your Best Day

June 21 – Dress Your Best Day

On June 21st, students are encouraged to *Dress Your Best*. We will also use this day to record our Promotion Ceremony. Due to COVID Protocols, this will be a closed ceremony, for each class. In other words, each class will have their own ceremony, taking place in the gym. Students will be recognized individually, and presented with a certificate and medal.

June 23 – Streaming of Promotion Ceremony

On June 23 at 4:00pm, parents and family members are invited to watch the recording of the Promotion Ceremony at home. Students are asked to sign into their TEAMS account, using their Bayridge credentials, and share this recording on line. This is the opportunity to see your son/daughter take part in this final celebration of their elementary career. This is a one time streaming of the event.

If you have any further questions, please contact any member of the grade team.

Sincerely,

Mr. Murti (Div 1)

Ms. Seath (Div 2)

Mr. Smith (Div 13)

Ms. Saito (Principal)
