In most years, Fleetwood Park Grade 8 students have the opportunity to complete exploratory rotations in ADST and Arts Education. Due to the COVID-19 pandemic and the necessity of cohorts, we may be unable to offer these rotations. Grade 8 students are required to rank their preferences for ADST and Arts courses in the case that rotations are not possible. We will do our best to accommodate student requests for these elective preferences.

Please mark course preferences for ADST and Arts using values 1-5 (i.e. 1 for the most-preferred option, 2 for the second-preferred option, etc.).
