# Explore and learn at the Gulf of Georgia Cannery National Historic Site

The Gulf of Georgia Cannery's education programs inspire curiosity and imagination in a unique National Historic Site setting! Through tours, hands-on activities, and thought-provoking questions, your students will gain a greater understanding of the history and ongoing legacy of BC's fishing and canning industries.

**Grade 1-4** students investigate the ways natural resources can move from local to global in Fishy Business!

**Grade 3-5** students understand the role of salmon as a Cultural Keystone Species for Indigenous Peoples on the West Coast of Canada in Salmon People!

**Grade 5** students examine the simple machines found in our one-of-a-kind restored Canning Line and Herring Reduction Plant in Machines at Work!

## NEW For 2025-26!

Introducing Cannery Education Kits (available in English only for this year)! Bring the Cannery to your classroom with the My Monster Cannery Kit (Grades K-3), or the Save the Salmon Kit (Grades 9-12).

**Grade 5-6** students explore the diverse work experiences and social challenges of Cannery workers from around the world in Cannery Stories.

**Grade 7+** and mixed-age groups can customize your experience with our Discovery Tour! Choose from a set of modules to design the perfect outing for your class.

**Spend the Day in Steveston's** national historic sites and let us do the planning! The Gulf of Georgia Cannery and Britannia Shipyards now offer joint bookings for up to four classes (Grades 1-6).

**NEW! Cannery REcollections (K-G3/G9)**  
Grade K-3 and Grade 9 students understand how objects can help us tell stories in Cannery REcollections!
