## Halloween Notice

Students are permitted to wear Halloween costumes at school on Wednesday, Oct. 31, but are not required to do so. We ask everyone to keep in mind that we want this to be an enjoyable day for all students, so we ask that costumes be suitable to an elementary school environment where children as young as 4 years old are present. Please remember that we do go outside for recess and lunch play time. Students may want to bring a change of clothes to keep their costumes safe. Students will also need to remember to take all parts of their costumes home at the end of the day.

To keep everyone safe, we ask students to leave items that resemble weapons at home. Wearing masks inside the school will be allowed as long as they are non-violent in nature.

Students will be participating in Halloween Stations throughout the morning. The afternoon will be up to individual teachers to plan. Not all classes will have a Halloween party. Please check with your child's teacher before sending treats to school this day. If you are bringing treats, please remember that **we are a nut aware school and all treats should be peanut and tree nut free.**

We look forward to a fun day for all of our students. Please see your child's teacher if you have any questions.

Sincerely,

The North Ridge Staff
