

Ray Shepherd October Updates

October 27, 2015

Pumpkin Carving Display

We'd love to have some fun with a pumpkin carving display to get into the Hallowe'en spirit. We encourage all students who are interested to participate. The rules are simple. Just get a pumpkin, carve it (you can get an adult to help) and then bring it to school on Friday, October 30th. The carved pumpkins will be on display in the gym and at 10:30 am all the classes will be able to admire the pumpkins during a costume parade. We look forward to the seeing the creative jack-o-lanterns that come on Halloween!

*** Please remember, safety first, please do not put candles or matches in the pumpkins! Also, students are also NOT to bring replica or toy weapons to school, even if it is part of their Halloween costume and fire crackers are not permitted.**

We Scare Hunger

Did you know that 1 in 5 parents said they skipped meals to ensure there was enough food for their children? Our Me to We team would like to help our local community by collecting non-perishable food items during the week of October 26-30th to send to the local food bank. If you have any items that you would like to donate, please send them in this week!
