Announcements

Remembrance Day

- With COVID restrictions in place, schools are no longer able to hold school wide assemblies. This year's Remembrance Day assembly will be a virtual live event on Tuesday morning (Nov. 10), beginning at 10:45 am.
- We will have student emcees and presentations from classes which we are recording earlier, but presenting live to classes.
- Parents and families are also invited to watch this event live. Please click [here](#) for the link for the presentation. If you are running behind you can join late and view from the start. The link can also be found on our school website in the alert section at the top of the homepage.
- We are broadcasting the assembly on Microsoft Teams, but parents do not need to have Teams downloaded on their computers. If using a computer, click [the link \(same as above\)](#) and you will be prompted to "Open Microsoft Teams". Click cancel and click "Watch on the web". If you are viewing on your phone, you will need to download the Microsoft Teams app.
- We will be handing out poppies to students on Monday and Tuesday. These poppies were donated by the Legion and if parents would like to make a donation to Veterans groups, they can drop them off at our outside office window. Thank you!
- A reminder that Wednesday, November 11 is the Remembrance Day statutory holiday and school is closed.

Parking Lot Safety

- With our school growing this year, a larger staff and increased congestion in our parking lot we will be **closing our parking lot to all vehicles, except staff beginning tomorrow, Monday, November 9.** Parents and caregivers will still be able to drive through the drop off area in front of the school. Please see the attached document for more about these changes.
- A friendly reminder to avoid distraction while driving through our drop off area. The traffic sometimes moves slowly and some drivers may be tempted to watch their children walk to their classrooms or glance at their phones.

Keeping Physical Distance

With COVID-19 cases increasing in the Fraser Health region, we would like to send out another reminder to parents about gathering outside the school during drop off and pick up times. Please consider dropping your child off outside the school perimeter or saying goodbye from a safe distance 1 – 2 metres from other adults and students. If you arrive to school early, please wait a safe distance away from others. We would like to again thank parents for wearing masks when dropping off their children and for all they are doing to keep our students safe.

“The important thing is not to stop questioning. Curiosity has its own reason for existing.”
~ Albert Einstein
