Student Verification Forms

- It is very important that we have up to date contact information for our Hazelgrove and Maddaugh families. This week we will be sending home a paper copy of our Student Verification forms, which include all important contact information from our electronic registration system. Please take a few minutes to review the forms, make any necessary edits directly on the page and return them with your child to school as soon as possible. Thank you for helping us keep our records up to date.

Parking Lot Reminders

- We are noticing a few cars parallel parking in our staff parking lot and blocking our two handicap parking spots. These spots need to be accessible at all times. Please do not double park in our staff lot.
- If you are walking your child to the school across our staff parking lot, please use the crosswalk in front of our office.
- When dropping off your child in the drop off area, please have your child exit from the passenger side of your vehicle. While we ask drivers to wait patiently during drop off time, cars sometimes unexpectedly pass on the left side, which is a danger to students exiting on the passenger side. Please drive slowly and use caution in our parking lot and drop off area.

A Reminder to Parents to Physically Distance

- We are noticing lots of adults on school grounds before and after school. A reminder that we have outside supervision from 8:15 to 8:30 am and after school from 2:30 to 2:45 pm. We encourage parents to say goodbye to their children off school grounds. If you want to drop off or pick up your child near their classroom please try to do this quickly and maintain physical distance from other adults and students outside. Thank you for your cooperation.

Open House and Meet the Teacher

- ~ As we cannot receive guests into our school due to Covid safety protocols, we unfortunately had to cancel our Open House this year. We have asked teachers to post on FreshGrade or email out pictures of their classrooms and student work areas.
- ~ On October 27, we will have an early dismissal at 1:30 pm. Teachers will be using the remainder of this afternoon (and other times at the end of the month) to conference with parents, either through a detailed email or phone call, a multi-media presentation or an online meeting. Teachers will be sending home more information in the weeks to come.
