<b>Friday 23</b>	<ul style="list-style-type: none"> <li>Professional Day – students not in session</li> </ul>

## Announcements

### Student Verification Forms

- Forms with contact information were sent home last week. If the information needs updating, it is very important you make any changes and send them back to school as soon as possible, if you haven't already, so the information can be entered into our electronic record system.

### Parking Lot Safety

- We continue to see students darting across the drop off lane in front of the school. Please remind your children to use the crosswalk, even if they are late.

### Earthquake Preparedness

- Hazelgrove students participated in the Great BC Shakeout last Thursday. Ask your child about the school drill and talk about your own home evacuation earthquake plan.

### Parent Advisory Committee

- Our Hazelgrove PAC has not yet met this year, but will be holding their first virtual meeting in November. We are hoping this online format makes it easier for parents to participate. While fundraising will look different this year, PAC will still be going ahead with initiatives that support our students and school. Stay tuned for more information about the first meeting.

### Halloween

- With Covid protocols, we won't be able to hold our annual Halloween parade this year and celebrations will look a little different this year. Students are still encouraged to dress up on Friday, October 30<sup>th</sup>. A reminder that costumes should not be overly scary or gory and appropriate for an elementary school setting.

### Professional Day this Friday

- Our teachers and staff will be taking part in professional learning opportunities this Friday. There will no school and we hope our students and families have a nice long weekend.

### *Interim Reports & Parent Teacher Interviews*

- ~ Interim (point of progress) reports will go home this week. Please keep in mind that we had a late start to school this year and teachers are still getting to know their students. These reports usually focus on work habits, social responsibility and core competencies.
- ~ We will have an early dismissal next week on Tuesday (Oct. 27) at 1:30 pm to give parents a chance to meet with teachers online or speak over the phone. **Please note that students in Blended Learning classes will not have an early dismissal as they have time each Friday to meet with teachers.** More information about signing up and the format for the meetings (for example, Zoom or a Teams meeting) will be sent out this week.

**“I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”**

**~ Maya Angelou**
