2024-2025  
SCHOOL YEAR

Welcome  
Back to  
Henry Bose

It is that time of year where the sun sets a little earlier, evenings are a bit cooler and ads start appearing for school supplies. Yes, it means another school year is right around the corner.

We would like to welcome everyone back to a new school year!! And those families that are new to the Henry Bose community, welcome to our wonderful little school.

# FIRST DAY/WEEK

Our first day of school is Tuesday, September 3rd, from **10:00AM to 11:00AM**.

The purpose of the hour is to get a better understanding of our numbers, share some of the rules and guidelines for the year, and of course to welcome back students and families.

On Tuesday, we would like the students to go to the following areas:

**All grade 7** students will meet on the sidewalk on the south entrance (parking lot) and Mr. Phillips will take all of the students into his room. Room # 109

**All grade 6** students will meet in the school courtyard and the back of the school and Ms. Gladstone will bring students to room # 108.

**All grade 5** students will meet in the school courtyard at the back of the school and Mrs. Hoestra will bring the students to room #110

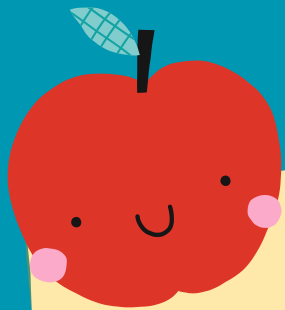

**All grade 4** students will meet in the school courtyard at the back of the school and Ms. Dhanoa will bring the students to room #113

**All grade 3** students will meet on the north side of the school by the playground at the first entrance and Mrs. Singh will bring the students to room #103

**All grade 2** students will meet on the north side of the school by the playground at the second entrance and Ms. Ren will bring students to room #117

**All grade 1** students will meet on the north side of the school by the playground at the first entrance and Mrs. Parmar will bring the students to room #104

**Kindergarten** students have been notified where they will be this first week

# NOTES FOR FIRST DAY

All students can be picked up at the same area they were dropped off at. Pick up is at 11:00am. This is the same place all students will go to on Wednesday morning and picked up in the afternoon at the end of the day.

Please note, this will not be your child's permanent classroom. Teachers will be working diligently throughout the week to get the classes organized. There are a great deal of complexities when organizing classrooms and the teachers focus on creating balanced classes meeting numerous criteria to do this. We are hoping to have classes in place by the end of the week or the beginning of the second week.

There is a map attached which will make this simpler. There will also be maps and signs outside on September 3rd to help, and teachers who can assist as well.
