March 4, 2015

Wow, what a great month! Our Kindness Month was filled with many acts that were very thoughtful and kind.

Here are a few examples; a couple of grade 7 girls left a positive message on each on their classmates desks, a grade 7 class decorated the staffroom with a big thank you message and treats for the staff, a grade 5 class recognized our office staff at our assembly with a thank you speech and flowers, there were amazing hallway displays, Jump Rope/Hoops for Heart event and our Pink Shirt Day Assembly.

Safety Alert:

There are has been reports that there have been a few incidences where adults are walking on to the school grounds and reprimanding students. We encourage any adult/parent not part of our staff to visit the office with their concerns. It is a safety issue and all students need to feel safe at school.

Dogs

Dogs should not be coming onto the school grounds especially during school hours. The reasoning is that some children are very afraid of dogs and some children allergic to dogs. We also have a lot of dog doo on the school grounds and play areas that the children step in when they are playing outside. Please help us make this a safe and clean place for children to play.
