Medical Alerts

If your child has a life threatening medical condition (allergies, diabetes, asthma, etc.) please contact the office as soon as possible.

Keeping Cindrich Students Safe

At Cindrich Elementary we have a "call back" program for all students who are not in attendance by 8:45 a.m. It is important for parents/guardians to call the school before 8:45 a.m. if your child is going to be away. Please call our office at 604-590-3211 and give your child's name, division and reason for the absence. It is also time to teach/remind your child(ren) how to stay safe when walking to and from school. Please review traffic safety rules, determine the safest route home, and walk with a friend or family member. Teachers will be reviewing similar safety tips with students during the first few weeks of school.

Lunch Deliveries

If you or someone is delivering a lunch to your child, you must come to the office and not knock on the classroom door. It is a safety issue for the school. Thank you!

The First PAC meeting of the year will be on October 7th at 6:00 p.m. in the Library. Please come out and join the team. The PAC would like to have a classroom parent or two for each classroom. It is a great way to build our community at Cindrich Elementary.

**Remember to send \$6.00 for your child's planner. We distributed the planners this week. Your child's teacher will be collecting the payment. Thank you!*

Terry Fox Annual Run

We hosted the Terry Fox Run on Friday, September 25th. We had great participation by all students! We are trying to raise \$1000 in donations for the Terry Fox Fund and if we do, Mr. Issel will turn green (maybe even Mrs. Whyte will turn green).

****Please remember to check our website. You can register to receive your newsletter on line. It is quite easy to do and I am happy to help any of our families set up their registration to receive the newsletter via email. Our website is**

Student Information/Media/School/District Website Forms coming home soon ...

Your child will be bringing home some important information next week that needs to be read and edited by you and sent back to the school as soon as possible. This information is vital to the safety of your child. **Please remember to sign and date the bottom of the student information form (even if there are no changes)** so that we know you have seen it. Thank-you!
