

## Hot Lunch Credits

Hello everyone

A reminder that all people who paid for April hot lunch/treat days have received a credit in their munch-a-lunch account. You can log in to your account to view the credit.

**This credit will automatically apply to your next order in the fall when hot lunches resume.**

It will not be lost.

We prefer that if you are returning to Latimer in the fall, you keep the credit over requesting a refund.

If you are leaving Latimer and require a refund, please email us by June 22 at [latimerlunch@gmail.com](mailto:latimerlunch@gmail.com) with your mailing address and the student's name and division. Alternatively, you can choose to donate the amount of your refund to the school.

*Parents of Grade 7 students - if you will still have a younger child at Latimer in the fall, you do not need to request a refund for your grade 7's order. The credit will automatically apply to your younger child's orders in the fall.*

Refunds must be issued by cheque from our PAC treasurer so may take some time to process and distribute.

A big **Thank You** to all the moms, dads, grandparents and student leaders who volunteered over the year to distribute the lunches in the classrooms. Over 70 different people helped us out this year! We couldn't offer the hot lunch program without you.

Loren and Colleen
