

September 23, 2021

Dear Parents,

We are pleased to offer the hot lunch program at Ocean Cliff for the 2021/2022 school year.

This is one of our biggest and most popular fundraisers. Money raised from this program will help fund classroom necessities, technology and special projects, so we appreciate your continued support.

As in previous years, we have rolled over all parent accounts that were active during the 2020-2021 school year (through logging in or purchasing spirit wear, Neufelds, etc). This means that returning parents can simply log in to their existing account. Please note that all inactive accounts have been removed (ie. any parent account that was not logged into during the last school year) and will require you to register a new account.

How to enrol in the hot lunch program using the MunchaLunch online ordering system

Please follow the below instructions to enrol in the October - December hot lunch term:

- Returning active accounts, login here: munchalunch.com/login
- New/inactive accounts, register here: munchalunch.com/schools/oceancliff

ORDER DEADLINE: FRIDAY, OCTOBER 1ST

Urgent call for hot lunch volunteers

We can only continue to run the program if we get enough volunteers to help us organize and distribute the lunches each week. This includes a hot lunch lead to help coordinate the food vendors and weekly volunteers (2-3 hours per week). If you are available for one or more lunchtime shifts on Wednesdays, please add your name to the applicable date(s) you are available to help within [this google form](#).

Participating vendors

The following restaurants will be offering individually wrapped lunches for OC students during the October - December term: **A&W, White Spot, Subway and Panago Pizza**.

If we have enough volunteers to continue the program in the new year, we will reach out again in early December to invite parents to enrol in the January - March hot lunch term.

If you have any questions or challenges logging into your account, please email oceancliffhotlunch@gmail.com.

Sincerely,

Jenny McCormick

PAC President
