

December 6, 2021

Dear Parents,

Enrolment for the next hot lunch term (January - March) is **now open** and will close on **December 15**.

The hot lunch program is one of our biggest and most popular fundraisers. Money raised from this initiative will help fund classroom necessities, technology and special projects, so we appreciate your continued support!

The program will continue to operate every Wednesday, and for next term, we have also added in every second Friday!

A reminder that all parent accounts that were active during the 2020-2021 school year or during the first term of the 2021/2022 school year have been automatically rolled over. This means that returning parents can simply log in to their existing accounts. All inactive accounts have been removed and will require you to register a new account.

How to enrol in the hot lunch program using the MunchaLunch online ordering system

Please follow the below instructions to enrol in the January - March hot lunch term:

- Returning active accounts, login here: munchalunch.com/login
- New/inactive accounts, register here: munchalunch.com/schools/oceancliff

ORDER DEADLINE: FRIDAY, DECEMBER 15

Urgent call for hot lunch volunteers

We can only continue to run the program if we get enough volunteers to help us organize and distribute the lunches each week. If you are available for one or more lunchtime shifts on Wednesdays or Fridays, please add your name to the applicable date(s) [within this google form](#).

Participating vendors

The following restaurants will be offering individually wrapped lunches for OC students during the December - March term: **A&W, White Spot, Subway, Panago Pizza, F.U.E.L. Catering, Booster Juice and Menchies.**

If you have any questions or challenges logging into your account, please email oceancliffhotlunch@gmail.com.

Sincerely,

Jenny McCormick + Anna Stradiotti

PAC President

Secretary + Hot Lunch Lead
