

**IMPORTANT NOTICE REGARDING STUDENT PICK-UP AFTER EVENING
CONCERT!**

Tomorrow is our big day – two Christmas performances. One last bit of “housekeeping” needs to be attended to.

The evening performance will end somewhere between 6:30 and 7PM. As you know, it is cool, dark and possibly rainy. Safety is always a priority for us. **Our preference is for you to collect your son/daughter from their classroom at the end of the evening.** We discourage having them walk home alone in the dark. If you cannot collect them and feel it is not a safety issue for you, it is mandatory that you contact their classroom teacher to give your permission via email, agenda/planner or verbally by no later than noon tomorrow. If the teacher does not receive this, your child will not be released from the school.

Thank you for your attention to this matter.

Sincerely,

Ms. Harrison

Principal
