FUNDRAISERS & EVENTS

Hold onto any items you got this holiday that you're thinking about regifting! We're planning an **online raffle for the Spring** and will be asking for donations. So don't open that bottle of wine or craft beer you know you won't like, and hold onto that unopened board game or brand new beach towel or unopened snacks or... you get the idea. We are also working on a **Valentine's Day Purdy's order** and another **Neufeld Farms order for the Spring**.
