Dear Parents and Guardians of Sullivan Students:

December 14, 2020

As you know, students in the Surrey Blended Transition program had the opportunity to transition back into the regular in-class program beginning in January.

- With students transitioning back from Surrey Blended, the reorganization of elementary schools becomes a necessity
- This is not something we would normally do in January, but it is necessary in this unique time
- We are fortunate to be able to maintain consistency, and will continue to have two blended classes and eleven face-to-face classes, with very few moves necessary. Letters have already gone out to all students that are moving classes. If you have not received a personal letter, your child will be staying in the same class for the remainder of the year.
- Our teachers are looking forward to welcoming their new students to their classroom and building a new learning community
- With minimal change in classes, January should see a smooth continuation of learning for everyone

The placement of students is determined through school-based professional decisions. We feel confident that each child has been placed appropriately.

Thanks for your support and patience with this process and for helping us re-start an unusual but wonderful year at Sullivan!

Sincerely,

Shelley Stark
