COMING UP AT COYOTE CREEK

Dear Families of Coyote Creek,
Happy New Year, and welcome back! I hope you and your family had a relaxing and enjoyable holiday break. As we kick off the second half of the school year, I wanted to take a moment to express how excited we are to see our students back in the classroom and ready to learn and grow! We know that transitioning back to school after a two-week break can be a bit of an adjustment for both students and parents. After time away from the routine, it's important to ease back into the structure of school life. Establishing a consistent morning routine can set a positive tone for the day. We encourage you to:

- Ensure your child is getting enough rest (aim for a good night's sleep so they wake up refreshed).
- Set a regular bedtime schedule to help them adjust to the school routine.
- Pack backpacks, lunches, and school supplies the night before to avoid morning stress.
- Encourage your child to participate in family discussions about school goals, what they're looking forward to in the new year, and how they can make the most of the second half of the year.

Starting the year with a positive mindset, clear expectations, and a healthy routine sets the stage for success in the months ahead!

Thank you for your ongoing support. Let's make 2025 a year of continued growth, achievement, and success for all of our students!

Thank you for your ongoing support and involvement in our school community!

Warm Regards, Ms. Hillen, Ms. Gill and the Coyote Creek staff

ATTENDANCE & LATE ARRIVALS

If you know your child will be away from school, please phone our school at 604 597 0858 and listen to the prompts (press 1) directing you to leave a message in our absentee mailbox. Alternatively, please email us at coyotecreek@surreyschools.ca at any time throughout the day.

Additionally, we know mornings are busy times, but our teachers begin instruction at 8:35 and students who arrive late miss many wonderful parts of the morning learning routines. Students who arrive past 8:45, please report to the office.

PARKING

As we continue to prioritize the safety and well-being of our school community, we would like to address an important matter concerning our parking and road safety protocols. It has come to our attention that some students and parents have been parking in the staff parking lot. This area is reserved exclusively for teachers and staff to ensure they have necessary access to their workspaces. We kindly ask that you refrain from using **the parking lot that is for staff only**. Additionally, we would like to remind everyone to exercise caution when driving to school and in the surrounding areas. Please adhere to all posted speed limits, be vigilant of pedestrians, and follow the drop-off and pick-up procedures to ensure the safety of all our students. Thank you for your cooperation and understanding.

SNOW DAYS (CHANGE OF CLOTHES)

A REMINDER THAT AT RECESS AND LUNCH STUDENTS GO OUTSIDE RAIN OR SHINE. AS THE WEATHER CHANGES, PLEASE REMEMBER TO SEND YOUR CHILD TO SCHOOL WITH APPROPRIATE CLOTHING FOR THE WEATHER (JACKETS, BOOTS, ETC.), AS WELL AS A CHANGE OF CLOTHES FOR YOUNGER STUDENTS FOR WINTRY DAYS.

January – Child and youth mental health info from Fraser Health

Support your child's mental health

Mental health is a key component of healthy child and youth development, and also has an impact on their relationships and their performance in school.

How can parents support positive mental health?

Parents can help support positive mental health by forming strong and caring relationships with their children.

- Connect – talk and listen to their feelings and experiences.
- Be active together – take a walk and build physical activity into family time.
- Take notice – encourage and praise the positive behaviours and choices your children make.
- Keep learning – encourage your child to learn from both positive and negative experiences.
- Give – your time, your words and your presence.
-

Sometimes, parents feel like they don't know what to say or how to interact with their youth. Learn more about [tips for how to talk to your child or teen about mental health](#).
