

January 17 2020

Today marks the Kick-Off day of our annual **Jump Rope for Heart Fundraiser**. Latimer Road has been participating in Jump Rope for Heart for over **20 years** and has raised **over \$100,000** for the Heart & Stroke Foundation. **THAT IS AMAZING! Last year alone we raised over \$4700!** We know that with the holidays just having past it can be difficult to find extra money to give but we would encourage each and every student to give whatever they can, even if it is just a dollar.

We appreciate all that you are able to give and in order to emphasize that your participation is more important than the dollar amount you fundraise we have a special prize for the class that has highest participation rate – a **PIZZA PARTY!** At the same time, we want to do our best to meet our goal of **\$3000** for the Heart & Stroke Foundation so as a reward for the top earning primary and intermediate classes they will be given an **extra recess!**

A **SKIP-A-THON** will be held in the school on **February 14th 2020** in celebration of your efforts. We will have stations set up and classes are welcome to sign up for a time slot that suits them (we will not be using the gym, so teachers can still have their gym times on this day – whew!).

Thank you for all you do Latimer! We can do this!
