Principal's Message

June 12th, 2020

The end of the year busyness is one thing that has not changed due to COVID 19. Commencement, final assessments and students completing course work are all activities that mark the end of the year. I am very thankful for the effort everyone has put in so that we can finish the year strong.

Thursday was a very busy day for the Commencement Committee with gown pick up, certificates delivered, folders labelled and Grad gifts organized. Thank you to the Commencement Committee for your planning and organizing of next week's celebrations. A very special thank you to Ms. Ryan for the hours spent filming everyone's speech for the recorded version of the ceremony.

Next week is hectic with the final full week of classes and Commencement on Tuesday and Wednesday. School will be open for our Grade 9s to come in Tuesday morning. We canceled the afternoon session for Grade 11s and 12s so that we can run 3 groups of Grads through our Commencement Ceremonies. Face to face instruction will resume Thursday morning.

Have a great weekend.

Ms. Hammond, Mr. Tait, and Mr. Mahli
