South Surrey Track Meet

A HUGE congratulations to all of our track and field athletes for their awesome athletic performances yesterday! The track coaches are SO proud of them, and they did a wonderful job of representing Morgan with responsible behaviour and good sportsmanship! We also thank all the parents and coaches for their work and support in making yesterday such an amazing day.

Sports Day Friday

We look forward to seeing the Green Ninja Turtles, the Blue Avengers, the Yellow Transformers and the Red Incredibles in their house colours on Friday, ready to compete and have a good time! Our students have been working on banners to represent each house team and we look forward to seeing them on display outside!

New to our list of stations this year will be our "Zen Den" for students who may need some chill time with some bubbles and chalk, and a quieter place to rest.

As in previous years, students are competing to gain the most Positive Play Points! Teachers award points during races, and at any time during Sports Day and they are totaled after the games.

Categories that the House Teams can win are:

- Wearing Team Colours

- Cheering for our Team and Others
- Ready and Listening
- Respectful and Responsible

Winning Teams are announced over announcements when students are back inside.

There may be a few raindrops in the forecast, but please remember the sunscreen, hats and water bottles. Don't be late- we start the first station right after morning attendance!

Concession will be available during the recess break and again after lunch eating time. Thank you, PAC, for providing this and the hot lunch!

A special shout-out to our Grade 7s who are running our stations! We are proud of your leadership!

The afternoon is regular class session, except for Grade Sevens who will compete in a water sponge bucket filling race and a celebratory water fight!

It is with a sad heart that I share my last Principal's Report at Morgan. It has been my privilege to lead Morgan these last four years. My principalship began in 2020 at the height of Covid, and I have been so pleased to see the resilience in our students, staff and community over the last four years. Thank you for the trust and support you have extended to me. Morgan is a vibrant and thriving school and will forever be in my heart.

Yours,
Ms. Gwen Myles
