Principal's Message

As we continue to inch closer to summer holidays, the celebrations and exhibits of learning continued throughout this past week.

As we close out this school year, our Graduating Class of 2020 have already started planning for their graduation next June. Monday night was the last Dry Grad meeting of the year. A group of dedicated Grade 11 parents has been meeting throughout this year in order to plan and book the event for our first graduating class. It may seem early to be making arrangements, but with a goal of raising \$25,000 for the event, it is necessary for them to start now.

We are very excited to welcome the following teachers to École Salish:

1. Carmen Grover (Social Studies)
2. William Clark (Band)
3. Crystal Macinnis (Home Economics)
4. Kimran Johal (Math/Science)
5. Allen De La Paz (PE/Athletic Director)
6. Gino Missana (Business Ed/Science)

We also congratulate Kristin Pawar on her appointment as Vice-Principal at Panorama Ridge.

Wednesday evening was the final music performance of the year. Once again, the theatre was full of family and guests as they listened to our Jazz bands perform.

The building was a little emptier on Thursday as over half the Grade 8s went on the Field Trip to Deep Cove. The students tackled a difficult hike but all were successful in reaching the peak. I believe some of our Grade 8 boys managed to beat our fittest teachers to the top!

Thursday evening was the final Dance Showcase in the Theatre. Despite the time conflict with the Warriors vs Raptors game, the theatre was full and the performances were amazing. Congratulations to Ms. Jensen on a very successful first year of dance.

Friday afternoon was the yearbook distribution and signing. Many students were hoping to buy a yearbook on Friday but the book was already sold out. We are hoping for a very limited number of copies to be published for students to purchase. Students need to bring a cheque or cash to the office by Monday morning at 8:30am if they wish to go on a waitlist for a copy. Thank you to Mr. Tait and his yearbook staff for creating such a memorable first edition of our Salish Yearbook.

The weather is forecasted to be nice and slightly cooler this weekend. Hoping everyone has a nice one!

Ms. Hammond, Mr. Mahli and Mr. Tait
