Principal's Message

June 21st, 2019

Today marks the completion of our 1st year of classes. It is a day to celebrate and for me to express deep appreciation for the hard work shown by the entire Salish community through the past year.

This last week before summer was busy for our Salish Wolves. It was the last push for students to demonstrate their growth in learning. On Tuesday, our senior foods students participated in their first of 4 days of Cut Throat Kitchen. The students were required to make a pie, which sounds like a somewhat easy task. Each day however, they encountered a different challenge that made creating the pie more difficult. On Tuesday, one student was blindfolded while their partner provided directions to them. The next day students hopped on one foot while stirring ingredients with their non-dominant hand. The third day, students were given all the tools to mix the ingredients but could not use them. The final day, students had to finish the pie without speaking to their partners. It was utterly amazing that the pies were made and actually edible given all these challenges.

Tuesday during block D, leadership students visited classrooms and delivered a bag of chips for every student. It was a nice gesture on behalf of our leadership students and student council. Thank you to Ms. M. Young for organizing the crunchy treat!

Tuesday was also the last day at Salish for our night custodian, Brian. He has left us to be the Head Custodians at Clayton Secondary. We thank Brian for all his work in keeping our school clean and wish him all the best.

Wandering through the shop area this week, I had the opportunity to see the wood projects created by our Grade 8 and 9 students. I was most impressed with their creativity and craftsmanship. Notably was a rocking chair, a dog/cat feeding dish and a beautiful bench. It was wonderful to see students in the shops after school working hard to complete their projects.

Thursday was our end of the year locker clean out. Everything went smoothly and the students have done a nice job of keeping the lockers in good condition. At the end of the cleanup, students were invited to have a hotdog and freezie in the Inclusion room. Thank you to Mrs. Milross for organizing the student lunch. Thank you also to Ms. Courtney, Mr. Third, Ms. Baumgartner and Ms. Pawar for cooking and preparing the hotdogs for our students.

It has been an amazing year! Thanks again to our staff, students and parents for making our first year so memorable.

Have a great summer! See you in September

Ms. Hammond, Mr. Mahli and Mr. Tait

CAREERS CORNER

Congratulations to the following students who were accepted into KPU's High School on Campus! These students will be attending evening classes at KPU in the Fall and receiving both high school credit and University credit for their course. (Paid for by the school district)

Joey Harasymow
Joon Sohn

Christina Park
Peyton Tan

Congratulations to the following successful applicants to District Programs for the 2019/20 school year!

Jayden Baker – Heavy Mechanical
Kelly Feng – Culinary
Danny Haasdyk – Baking/Pastry
Charlotte Kim – Education Assistant
Colbey McGill – Law Enforcement Prep Program
Vincent Paulicelli – Welding

Jovan Dhadda – Piping
Stefan Gorsek – Carpentry
Linden Kennedy – Carpentry
Walter Leibenzeder – Metal Fab
Sierra McMurdo – Head Start in Art
Logan Pender – Automotive Service Tech

*Keep up to date on all of these programs as well as many other exciting opportunities by following our Instagram page!
