

K.B. Woodward Elementary

Code of Conduct

At K.B. Woodward Elementary we are committed to creating a safe, caring, and welcoming environment. Our conduct is guided by the following principles.

- **We care for ourselves**
- **We care for others**
- **We care for our environment**

Caring for ourselves:

- I can be an active participant in my own learning and ask for help when needed
- I can be curious and open minded and learn from my mistakes
- I can recognize my own needs to care for my social, emotional and physical health

Caring for others:

- I can show respect, kindness, and support for others
- I can solve problems in a safe and respectful way
- I can understand that people have different ideas and beliefs and speak up when I see others being treated disrespectfully

Caring for our environment:

- I can do my part to keep my school and playground clean and safe for everyone
- I can contribute to the well-being of our school community by being welcoming and inclusive
- I can act for positive change and commit to making the world a better place
