Walking on thin ice...

Yesterday, a member of our community saw students attempting to walk on the frozen part of the pond in the neighbouring park afterschool. The ice is not very thick and the risk of falling through is huge.

Please have a conversation with your child regarding how dangerous attempting to walk on the pond is. We want to keep our Katzie students safe and warm!

Upcoming dates

13 th February	PAC Meeting, 8.30am in Portable 3
18 th February	Family Day Holiday
