Students have spent the afternoon in their classes today and will start their day tomorrow where they left from today. This is a crucial time where parents may have to support and encourage their children that change is a positive thing and that no matter where they are placed, it will be ok. This will help ensure a successful year for your children.

The staff here at Katzie have worked very hard and spent much time to ensure that all classes are balanced and follow the classroom composition that complies with Ministry mandates.
