Fire Alarm – 14 November

Yesterday afternoon at approximately 2:20pm, one of our primary students pulled a fire alarm panel. This caused the whole school to follow our evacuation procedure and wait for the fire department to ascertain the cause of the fire alarm and to ensure that the school is safe. I am pleased that all students and staff were able to evacuate safely and in a timely fashion. The fire truck had difficulty getting into our driveway because some vehicles were parked in the fire lane and along the entrance/exit lanes of the school parking lot. As our school continues to grow, it is increasingly important for drivers to abide by the parking lot rules and not block/narrow the lanes. Please ensure that all fire lanes are kept clear and that cars are not parked along the entrance/exit and curved sections of the lane. Once again, parents are strongly encouraged to either walk to school or to park ½ a block away from the school. Thank you to all the parents that helped us to safely manage this unexpected event.

Photo retake Day

Tomorrow, Friday 16th November is photo retake day.

Student absences

Just a reminder that the safe arrival program from last year is no longer used here at Katzie. If your child is going to be absent or late, please call the school on 778-571-4080
