Circle of Security Parenting™ Program

At times, all parents can feel lost or unsure about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened. Surrey Schools will be offering the Circle of Security® Parenting™ Program for parents/guardians of Kindergarten - Grade 1 aged children.

Learning Objective of the Training:

- Understand your child's emotional world by learning to read the emotional needs
- Support your child's ability to successfully manage emotions
- Enhance the development of your child's self esteem
- Honour your innate wisdom and desire for your child to be secure
