WEATHER! Most days students will be sent out for fresh air and exercise during recess and lunch. With the normal wet Lower Mainland weather back again, students need to come to school with appropriate clothing for the rain – warm sweater, warm jacket or rain jacket, boots, umbrella, mitts and toque. It would also be helpful if a light and easy to carry change of clothing could be kept in your child’s backpack.

KEEPING GERMS AWAY!

Hand washing and some healthy tips prevent the spread of germs. Take a few minutes to review these steps with your children:

- When washing hands, wet your hands & apply soap.
- Rub hands together for 20 seconds or sing a short song or rhyme. Rinse your hands for 10 seconds.
- Keep fingers away from the mouth area.
- Cough and sneeze into the elbow.
- Stay home if sick, not returning to school until the fever is absent for at least 24 hours or until vomiting is absent for 48 hours.
