SURREY PUBLIC LIBRARY

This week we had a presentation from the Surrey Public Library about their Summer Reading program.

Please consider signing the kids up for this program. It is FREE and is such an awesome program for the kids throughout the summer. The program is good at every library in BC.

Please get your kids reading... reading EVERY DAY. The 'Summer Slide' is a real thing and the kids have all made such amazing progress with their reading this year. It's really important that they read daily to keep up their reading skills or they will lose some of it.

The library offers kids such amazing opportunities... so many books to choose from... so many different topics. This is where your kids can completely FALL IN LOVE with reading because they have choice. Choice to read books on so many topics.

PLEASE CONSIDER INTRODUCING YOUR KIDS TO THE PUBLIC LIBRARY THIS SUMMER!!!!

The larger Cloverdale Library is not that far away!

We can't wait to see all the reading medals in September that they earn over the summer!!

Are you a proud parent with a new baby? Will your baby be 2 – 4 months old in October?

You and your baby could be a Roots of Empathy Family.

Roots of Empathy is a program for elementary school children. The program's aim is to increase empathy - the ability to understand how another person feels.

Children learn to care for and respect each other, and there is less bullying and aggression.

Be a Roots of Empathy Family.

- A baby with one or both parents visits a local classroom over the course of a school year with a Roots of Empathy Instructor.
- The visits are about 30 minutes long, once a month starting in October.
- The program helps children to learn about a baby's needs and how babies develop and lets children observe the loving relationship between a parent and baby.
- Babies must be between 2 and 4 months old in October.

"Roots of Empathy is about changing the world, child by child."

- Mary Gordon, Founder/President
