## Jump Rope for Heart Event

Katzie Elementary is pleased to be holding a Heart and Stroke Foundation Jump Rope for Heart event on Friday, May 19, 2017. All money raised will support the Heart and Stroke Foundation on their mission to promote children’s health and fund vital heart and stroke research.

Jump Rope for Heart encourages kids to get active by skipping rope while they collect pledges for heart disease and stroke research. They also learn the importance of living a healthy lifestyle and giving back to their community.

Please help support your child’s fundraising efforts by registering them online at [Jumpropeforheart.ca](http://Jumpropeforheart.ca) and sending out donation requests to friends, family and colleagues. Online donors receive an automatic tax receipt. In addition, when students receive their first online donation, they will receive a \$5 kick-start and a free skipping rope from the Heart and Stroke Foundation!

Each student will be bringing home a pledge envelope to collect cash and cheque donations in person. Please ensure that their pledge envelope is returned by Friday, May 26, 2017.

Thank you in advance for your support, Katzie Staff

## School Supply Lists

Today your child is bringing home an Edu-Pac order form for school supplies for September 2017. Edu-Pac Services has been offering school supplies to students for years and makes the whole process of purchasing supplies so much easier. They are an independent business and will deal with parents directly if there are any concerns. In September the supplies will be delivered to the school and given to the students.

Please note that all orders must be received by May 23. You may order on-line at: <http://edupac.ca/collections/katzie> or fill in and return the enclosed order form with your cheque or credit card information – no cash please.

School Supply Lists have also been placed on our school site at [www.surreyschools.ca/schools/katzie](http://www.surreyschools.ca/schools/katzie) under the “Parents” top tab.

# Help name our new schools!

You can participate in local history and suggest a name for Surrey's newest schools! The Surrey Board of Education invites public submissions to help name three new schools to be built at:

- **169 Street & 25 Avenue – Grandview Heights area secondary (Site 177)**
- **194 Street & 76 Avenue – Clayton North area elementary (Site 184)**
- **187 Street & 74 Avenue – Clayton Village NW area elementary (Site 218)**

According to school board policy, school names should reflect the history or geography of the neighbourhood or community. Special consideration is given to names that have significant meaning to students and members of the community.

E-mail suggestions and if desired, a short explanation, by **June 5, 2017** to [schoolnames@surreyschools.ca](mailto:schoolnames@surreyschools.ca).

Please be sure to indicate the school site number beside each name suggestion.

*(As many different people often suggest the same name, or close variations of the same name, acknowledgement is not given to those who suggest a school name that is later chosen by the board).*
