**Non-Instructional Day – School Not In Session**

**Aboriginal Week**

## Kindergarten! Register As Soon As Possible – Spaces are Filling UP!

It is imperative that Kindergarten students are registered as soon as possible!

A reminder that Kindergarten registration remains open for incoming students in September of 2017.

If you have a neighbour that has a Kindergarten aged child please let them know that space is filling up.

Thank you so much!

## Lost and Found Items – Look for items BEFORE Wednesday, May 24

Parents, please check the VERY large amount of lost and found items that have been spread out along the kindergarten hallway. **All unclaimed items will be placed into the clothing donations bin next Wednesday, May 24th.**

## School Supply Lists

Today your child is bringing home an Edu-Pac order form for school supplies for September 2017. Edu-Pac Services has been offering school supplies to students for years and makes the whole process of purchasing supplies so much easier. They are an independent business and will deal with parents directly if there are any concerns. In September the supplies will be delivered to the school and given to the students.

Please note that all orders must be received by May 23. You may order on-line at: <http://edupac.ca/collections/katzie> or fill in and return the enclosed order form with your cheque or credit card information – no cash please.

School Supply Lists have also been placed on our school site at [www.surreyschools.ca/schools/katzie](http://www.surreyschools.ca/schools/katzie) under the “Parents” top tab.

## Communicating Student Learning – Your Feedback is Important!

Teachers at our school and around the Surrey School District and beyond have been learning about new ways of communicating student learning with parents. Our goal continues to be improving how we communicate with you while promoting student ownership. We greatly appreciate you taking the time to complete the survey below, sharing your perspectives regarding how student learning is communicated to parents in Surrey. The information gathered will help us better understand what you find most important to know about your child's learning and ways we can continue to improve our communication with you.

**Parent Survey:** [www.bit.ly/sd36parents](http://www.bit.ly/sd36parents)

You can participate in local history and suggest a name for Surrey's newest schools! The Surrey Board of Education invites public submissions to help name three new schools to be built at:

- 169 Street & 25 Avenue – Grandview Heights area secondary (Site 177)
- 194 Street & 76 Avenue – Clayton North area elementary (Site 184)
- 187 Street & 74 Avenue – Clayton Village NW area elementary (Site 218)

According to school board policy, school names should reflect the history or geography of the neighbourhood or community. Special consideration is given to names that have significant meaning to students and members of the community.

E-mail suggestions and if desired, a short explanation, by **June 5, 2017** to [schoolnames@surreyschools.ca](mailto:schoolnames@surreyschools.ca).

Please be sure to indicate the school site number beside each name suggestion.

*(As many different people often suggest the same name, or close variations of the same name, acknowledgement is not given to those who suggest a school name that is later chosen by the board.)*

The Business Development Department of the Surrey School District coordinates the distribution of community information to parents, schools and staff. These distributions historically have gone out hard copy to schools and are taken home to parents via students; however, as we work to become more environmentally friendly and efficient, many of these messages are now going out using email. Please visit our [ONLINE COMMUNITY BULLETIN BOARD](#) for frequent updates to community postings.

*SD 36 receives a fee to facilitate the distribution of advertising materials from some community organizations and businesses, and this fee goes to programs that support Inner-city students. SD 36 does not accept responsibility or liability for the contents of any advertising and does not endorse an advertiser's services, goods or programs.*
