Our Furry Friends – No Dogs on School Property District Policy

This year we have been advised of students who have severe allergies to dogs. As a result we will be enforcing the District Policy of “No Dogs on the School Grounds”. Teachers will be out on the grounds reminding parents of this policy. Surrey School District policy/by-laws state "no dogs on premises". While we love our four-legged friends we are unable to invite or allow your dogs on school property. Thank you for your understanding on this matter.

Have you received the most recent notice from Katzie Elementary?

Please subscribe - Notices and newsletters can be received direct to your email account by entering your email address on the self-subscribe option “EMAIL LIST” at www.surreyschools.ca/schools/katzie . An email will then be sent to your personal email account for you to verify and confirm that you wish to receive important school notices.

Early Dismissal and Student Led Conferences

A reminder to parents that there will be an Early Dismissal on Thursday, September 29 at 1:30 pm. Teachers will be communicating the format and timeframe for student conferencing in each class individually. All parents are encouraged to take this opportunity to connect with their child’s teacher and learn more about how the year has started.

Absences

To ensure student safety - call us before we call you. ☺ If your child is absent for any reason please call the school at 778-571-4080. We have voicemail so you can call us the night before the absence which might be helpful. Remember please leave the students’ full name, division and reason for absence.

Technology/Electronics Use at School

A reminder that students should not bring electronics (personal game players, Ipad, etc.) to school. These are expensive items and are not appropriate for school use. Cell phones must be turned off and stored during school hours. Students may use school phones for any emergency communication during the day.

Information from Our Public Health Nurse

Here are links to some great resources for teachers regarding anaphylaxis and the use of epi pens.
