Parents/Guardians,

First and foremost, we want to acknowledge the challenges of these unprecedented times and sincerely hope that all members of our school community have been able to keep healthy and safe, while spending time with loved ones over the break.

We know that parents have many questions and concerns regarding the suspension of in-class instruction. Our first priority during these changing times is to ensure the safety of our students, staff and parents as well as to ensure the well-being of our community while trying to stop the spread of COVID-19.

Staff has been meeting regularly to plan for online continuity of learning for our students. We thank you for your patience as our staff work through uncharted territory this week in developing meaningful learning plans for our students. You can expect your child's classroom teacher to contact you this week and outline details regarding the educational program for your child's class. Teachers may use Freshgrade or email to connect directly with parents. As such, we are asking all parents to ensure that their child's teacher has up-to-date information for all students. Below are the email addresses for all our classroom teachers. If you haven't already been in regular email communication with your child(s) teacher, please send them an email to ensure that they have your current contact information.

If you have not yet done so, please see the video message from Surrey Schools Superintendent, Jordan Tinney. <https://vimeo.com/401370166>

In addition, the Ministry of Education has developed an online resource to assist parents with continuity of learning from home: <https://www.openschool.bc.ca/keeplearning/>

Thank you again for your patience and understanding as we navigate these challenges together.
