# Keep Learning

Suggestions for parents and caregivers to support their child's learning.

## Dear Parents and Caregivers:

We launched this site a year ago in response to the pandemic. It's been a challenging time for everyone, but we can now look forward with more optimism.

Spring is beginning to unfold. Longer days, warmer weather and new growth helps us all feel a sense of renewal, possibility and hope.

Best wishes for staying well and enjoying time outdoors as spring arrives!

### Keeping Informed
