Dear Parents/Guardians,

We want to officially welcome you and your child to Forsyth Road Elementary. Starting school is an important milestone for children as they move from the home environment to being part of the school community. We are very excited to have the class of 2033 start their learning journey with us this year.

We want to thank you for your patience as our start up this year looks a little different. Due to the uncertainty around the pandemic and the new school year, we were unable to send out gradual entry information during the summer break like we have in previous years. Please find Forsyth Road's Kindergarten gradual entry schedule attached to this email.

Group A (Last Name A-M)

Group B (Last Name N-Z)

As you will see from the calendar, students will build up their time at school and begin full-time on Tuesday, September 29th (8:35 am-2:30 pm).

Please note:

- Start and end times for each day are listed directly on the calendar. To avoid congestion, please do not arrive prior to the start time.
- Please come to the exterior doors of the Kindergarten rooms, which are next to the primary playground (south side of the school). You will see your child's name posted on the window as to which room they will be entering.
- If you have registered for the Surrey Blended Transition Model, your child will not be attending Orientation, as indicated on the gradual entry calendar. Please wait for further information on the Surrey Blended Transition model.

We will continue to share information with parents as it becomes available. We look forward to seeing you soon and meeting with our new students.

Thank you,

Jane Forbes
Principal
