

Semiahmoo Behaviour Analysts (SBAI) presents:

Kindergarten Readiness

FOR CHILDREN WITH AUTISM
SPECTRUM DISORDER (ASD)

A new ABA early intervention program designed to prepare children with ASD for Kindergarten.

This ABA early intervention program offers intensive treatment in the areas required for a successful transition to Kindergarten including, Communication, Self-Help, Pre-Academics, Social Skills, Play and Self-Regulation.

We use Applied Behaviour Analytic (ABA) intervention – a proven effective, science-based treatment for children with ASD.
