

KIRKBRIDE LIBRARY

Welcome! Another school year is underway and the students in Grades Kindergarten to 4 have begun library classes once a week for a 40 minute time block. It has been a pleasure for me to meet the new students and to see the returning students once again.

Students in Grades 5 to 7 also come to the library once a week for book exchange. If your child requires new books more than once a week, please bring them to the library after school. We are open every day after school from 2:32-3:00 pm.

Book Check-out:

Grades K – 2 are allowed 2 books at a time

Grades 3 – 7 are allowed 3 books at a time

Please remind your child to treat their books with care and keep them out of the reach of pets or little siblings who might damage them. If students lose or destroy a book, they are required to pay the cost of replacing it so please teach them to be careful.

I am always appreciative of parent volunteers to help shelve books so please come and see me if you are interested.

Sincerely,
Mrs. Roberts
Teacher-Librarian
